

Congratulations on your Download of BounceBack's Demonstration Deck!

Demo: Business

You have a new supervisor who seems to think he knows everything. You've worked the job for 6 years. He hasn't.

Offering this downloadable deck has been a bit of a challenge. **BounceBack** decks are printed on both front and back. The challenge appears on one side (see left) and the key to the Skills & Attitudes that we feel are most likely to be helpful in addressing the challenge are coded on the back with a red asterisk* (see right).

Since we were unable to assure that front and back would align properly on all printers, your deck will print only one side; the challenge side. Please be sure to download the key which indicates the Skills & Attitudes that we feel are most helpful.

We hope you enjoy your Demo Deck.

10 Skills and Attitudes:

- * Connect/Communicate with Others
 - Be Flexible
 - Problem Solve
- * Manage Strong Feelings
 - Self Confidence
- Find the purpose/meaning in life
 - * See the Big Picture
- Appreciate and use humor
 - Care for Yourself
 - Care for Others
